Tags: frame hook steam hand loop velcro ergonomic straps steamframe hackstraps

This is a remix of the HackStraps by cbutters optimized with Velcro in a design similar to the Valve Ergonomics Kit straps. This uses 1in wide adhesive backed Velcro on one side and 1/2in Velcro on the smaller end. I also added 1in wide 1/8in thick neoprene foam tape on the inside for additional comfort.

This remix is based on

Hack Straps Steam Frame Straps
