50+ ducks and counting on Patreon: <https://www.patreon.com/DuckHeroes>

The Print & Sell License tier gets you:

Sell every print you make. Keep every dollar.

40+ new ducks every month. Fresh stock to sell, always.

Your brand on it. No credit needed.

Sasquatch Rubber Duck

A shaggy dark-brown apelike forest cryptid with a pointed crest on the head and a heavy brow. Perfect for desks, shelves, or just collecting.

STL + 3MF

4 Color

Filament colors recommended:

Standard PLA Dark Brown

Standard PLA Maroon
Standard PLA Brown
Standard PLA Burnt Orange

⚙️ **Print Settings**

Layer height: 0.20 mm

Infill: 15%

Material: PLA (recommended)

Also works with: PETG, ABS, ASA and TPU (flexible) on most FDM printers

Multicolor 3MF: for multi-color FDM printers (AMS, MMU or similar)

Supports: optional tree supports under wings or ears if your slicer flags overhangs

LICENSE

This free download covers personal use only. Selling prints requires a commercial license, included with the Print & Sell License tier on Patreon. Your selling rights stay active for as long as your membership is active. Selling or sharing the digital files is not allowed. Full benefits are on the Patreon page.
