The Print & Sell License tier gets you:

Sell every print you make. Keep every dollar.

40+ new ducks every month. Fresh stock to sell, always.

Your brand on it. No credit needed.

Treasure Chest Monster Rubber Duck

A duck whose lower body is a brown wooden treasure chest that has come alive, with a toothy open mouth. Perfect for desks, shelves, or just collecting.

STL + 3MF

4 Color

Filament colors recommended:

- Standard PLA Black

Standard PLA Brown

Standard PLA Burnt Orange

- Standard PLA Light Gray

⚙️ Print Settings

Layer height: 0.20 mm

Infill: 15%

Material: PLA (recommended)

Also works with: PETG, ABS, ASA and TPU (flexible) on most FDM printers

Multicolor 3MF: for multi-color FDM printers (AMS, MMU or similar)

Supports: optional tree supports under wings or ears if your slicer flags overhangs

LICENSE

This free download covers personal use only. Selling prints requires a commercial license, included with the Print & Sell License tier on Patreon. Your selling rights stay active for as long as your membership is active. Selling or sharing the digital files is not allowed. Full benefits are on the Patreon page.
