Summary

For Brix, Not regular gridfinity

Hobby & Makers > Organizers

Tags: whiteboard whiteboardorganizer gridfinity gridfinitybrix

Fits in a Gridfinity Brix 2x4 Wall shelf. Holds the Expo eraser, spray, and pens.
The spray holder is 67mm ID and requires an the adapter ring, because you might want to later use some other spray with a different adapter without reprinting the whole thing. The ring fits into the tray a bit loosely to avoid jamming.

Model files

4x4gridfinitywhiteboarderaserandpens.step

Requires a Brix base, not a regular Gridfinity base!

expospray_55mm_to_66mm.step

This ring is needed to steady the expo spray.
