An insert for my Cyberpunk TCG "Gig Kit" x4 Deckbox. It is designed to fit into one of the back two slots (it will not fit in the front two due to clearance needs for the box hinge. It holds at least 2x dice sets for the game, as well as other tokens and markers such as my Overtime Token design. This will take up one of the deck slots so you'd have 3x decks in the box, but now have all of the other pieces you need to play!

Parts Needed:

- CyberpunkStorageBox_AccessoryInsert_Lid

- CyberpunkStorageBox_AccessoryInsert

Instructions:

- Print each of the above parts
- Fill the box with your dice and other accessories
- Slide the lid into the box
- Insert into your Gig Kit Cyberpunk TCG Deckbox
