Behold the Guardian of the Keep -

Once tasked with scaring pigeons away from medieval castle rooftops, he is now available to sit atop this stony perch and preside over your trinkets, mints, pocket change, or cat treats, guarding them like a gold hoard.

Art meets function with a highly detailed container with a snug fitting lid.

If you use my 3mf, supports have already been optimized for easy scar-free removal. It does scale, I have printed it at both 100 and 70 percent.
