Summary

Measure dry spaghetti: fill a hole for 1, 2, 3 or 4 portions, then hang it back on its hook.

Never cook too much pasta again. Fill a hole with dry spaghetti for 1, 2, 3 or 4 portions (about 85 g each), and hang it on a hook by the end hole.

DETAILS

- 210 x 66 x 4 mm. Holes 22, 31, 38 and 44 mm, numbered.
- Prints flat with no supports. Bambu Studio: 37 min, 17 g.
- Portions are approximate and depend on the spaghetti's thickness. Use a food-safe filament if you're picky, and don't put it in the dishwasher if it's PLA.

CUSTOMIZE (OpenSCAD)

Hole sizes and thickness.
