Summary

Remixed rat holding a bowl (<https://www.printables.com/model/332705-rat-holding-a-bowl>) to be used as a change/key dish.

[Art & Design](#) > [Sculptures](#)

Printed in PETG - HS (I believe that any filament should work)

0.2 mm

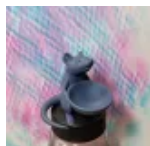

3 perimeters + 15% gyroid

Supports only in the arms

Fuzzy skin in the fur

Probably will look better with a multi-color printer

This remix is based on
