A Mind Flayer for your RPG games. You may need to resize this model to suit your needs.

Print Recommendations:

- **Resin (SLA/DLP):** Highly recommended due to high detail and thin geometry.
- **Filament (FDM):** A smaller nozzle (e.g., 0.2mm) works best, but if using a standard 0.4mm nozzle, lower your layer height and slow down your print speed to capture fine features.

Support My Work: If you enjoy my designs, please give this model a like! You can also join my club to unlock access to exclusive models and upcoming releases. Every bit of support directly helps me keep modeling and bringing new designs to you.
