updated 15. 10. 2026 | published 15. 10. 2026

Summary

Tweaked the original a little to better hold my original Athlon CPU I wanted to display.

[Gadgets](#) > [Computers](#)

Tags: [stand](#) [cpu](#)

Just took the great little original design and tweaked the lip width a bit to better hold my original Athlon CPU.

This remix is based on
