Monitor Mount Headphone Holder – 30mm

Keep your desk organized and your headphones within easy reach with this 3D printable headset holder! Designed to fit onto the top of a monitor mount, this compact accessory provides a convenient place to store your headphones without taking up valuable desk space.

The curved design supports your headset's headband while maintaining a clean, minimal appearance that blends into almost any desk or gaming setup.

Features

- **Space-Saving Design:** Keeps headphones off your desk and easily accessible.
- **Monitor Mount Installation:** Designed to fit onto the top of compatible monitor mounts.
- **Curved Headphone Support:** Provides a wide, contoured resting surface for your headset.

- **Minimalist Appearance:** Simple, clean design that complements gaming and office setups.
- **3D Printable:** Print your own holder in your preferred material and color.

Compatibility

- **Required Mount Diameter:** 30 mm
- **Fit Tolerance:** ± 1 mm (29–31 mm)
- Designed for monitor mounts with a compatible circular mounting point at the top.

Important: Measure your monitor mount before printing to ensure compatibility. Fit may vary depending on printer calibration and dimensional accuracy.
