Summary

Perfect for dinosaur lovers, kids' rooms, desks, or your collection...

Toys & Games > Other Toys & Games

Tags: design dinosaur easytoprint glowinthedark homedecor

Two versions included:

- Multi-filament version;
- Single-color version.

Glow filament tip: These models look especially cool when printed with glow-in-the-dark filament. Expose them to light and watch them glow.

More dinosaur models coming soon.

Happy printing!
