A keychain with Carnage from the Spider-Man universe.

Design Highlights

- **Reinforced Loop:** Extra-thick attachment point to ensure the keychain survives daily wear and tear on your keys, clothes or gear.
- **Low Material Cost:** The keychain uses **9g of filament**.
- **Double Sided:** includes a version with 2 thinner mirrored parts that can be glued together to form a double sided keychain.

Recommended Print Settings

- **Nozzle:** 0.4mm (Standard) or 0.2mm (for ultra-sharp text).
- **Layer Height:** 0.16mm

- **Layer Width:** 0.32 mm
- **Wall Loops:** 4 (Recommended for loop strength).
