 Meet the Mini Werewolf Keychain - another tiny Halloween character designed to join the collection.

This little werewolf has a cute chunky design with **big paws, pointed ears, little fangs, and plenty of thick fur details**. Just like the Mini Ghost, it's small enough to carry around and features a **built-in keychain loop**, so you can attach it to your keys, backpack, or bag.

The body is **articulated and wiggly**, making it a fun little Halloween keychain, fidget, or gift.

Now the question is... **who should join the Halloween keychain collection next?**

Features

- Cute **Mini Werewolf** design
- Articulated and wiggly
- Built-in **keychain loop**
- Chunky paws and stylized fur details
- Tiny werewolf fangs
- Perfect for Halloween
- Great for keys, bags and backpacks
- Designed for multicolor printing
- Small and quick to print

Recommended Print Settings

- **Printer:** FDM
- **Layer Height:** 0.15 mm
- **Infill:** 10-15%
- **Walls/Perimeters:** 2
- **Material:** PLA recommended

- **Nozzle Temperature:** 210–220°C
- **Bed Temperature:** 55–60°C

⚠ **Scaling Notice**

This model has been carefully tuned for smooth articulation at its original size. Scaling the model up or down may change the joint tolerances, causing the joints to become either too tight or too loose.
