Create your own fantasy warrior look with this **detailed horned helmet**, featuring an aggressive design, sharp geometric lines, an intricate central crest, and elegant curved horns.

Designed for **3D printing, cosplay, costume design, display, and fantasy collections**, this helmet combines a striking silhouette with layered decorative details that make it stand out.

3D Printing Tips

- Check the model orientation and support requirements in your slicer before printing.
- Adjust the model's dimensions to suit your intended use, whether for cosplay, wearing, or decorative display.
- For wearable use, measure your head and check the internal dimensions before printing. Scaling the model may affect the fit and the thickness of its details.
- Choose your layer height and print settings according to the level of detail you want.
- Sanding, priming, and painting can further enhance the final appearance.

⚙ Customization
Scale the model to match your needs and printer build volume. Always verify the fit and clearances before starting a full print.

⚠ Important Note
This is a fantasy costume and decorative helmet design, not certified protective equipment. It is not intended to provide impact or head protection.

If you print it, share your results and custom versions with the MakerWorld community!

Happy printing!
