Summary

A metal pegboard mounted holder to securely mount the ChannelLock HP-4H Hook & Pick Set

[Hobby & Makers](#) > [Tools](#)

Tags: [organizer](#) [wall](#) [tool](#) [hook](#) [wallmount](#) [pick](#)
[pegboard](#) [channellock](#)

Securely mounts the ChannelLock HP-4H Hook & Pick Set to metal pegboard.

The TPU retainer slides into the slot in the toolholder. #4 x 1/2" screws are threaded into the the spreaders then the assembly is mounted into pegboard. Tighten the screws to expand the spreaders to the pegboard.
