Summary

small muzzle protrusion for the sidetrack that lets you give it an orange muzzle

[Toys & Games](#) > [Outdoor Toys](#)

Tags: [dart](#) [blaster](#) [nerf](#) [foamdartblaster](#)

Even with some PCARs, there is no exposed orange muzzle on the Sidetrack due to how short of a barrel is needed. I made this part to fit on the end of the long barrel variant so that it has some orange on the end for safety reasons (makes it a bit more obvious to a lay person that it is a toy).

This remix is based on

SIDETRACK - Hammer Prime Revolver Blaster
