Summary

Gridfinity bin with eight holes for 27 mm glass vials to store coffee beans ready to grind.

[Household](#) > [Kitchen](#)

Tags: [kitchen](#) [coffee](#) [vialholder](#) [gridfinity](#)

This 2x4x6 Gridfinity bin holds eight 27 mm glass vials of coffee beans, spaced for easy access. The bin stacks when empty but not with vials installed. If the vials fit loosely, apply fuzzy skin to the inner surfaces of the holes to add grip.
