updated 21. 10. 2026 | published 21. 10. 2026

Summary

This is for a MK3 250x250x3 mm PCB bed. Probably a ANET A8 24v bed.

You'll need a couple of M5x8 bolts, M5 washers and M5 t-nuts.

You need to print the original model plus a mirrored version of it.

This remix is based on

Rook 2020 Scalable MK2
