A fresh seasonal twist on Finn from the Cozy Fantasy Collection

In this Spring Blossom Edition, Finn is holding a blooming flower, bringing a soft and cheerful spring vibe to his cozy world.

With his rounded silhouette, clean layered shapes and playful proportions, this multi colour version keeps Finn’s recognizable character while adding a light, seasonal touch.

Finn stands approximately 100 mm tall. Upscaling works beautifully for a larger decorative piece. Downsizing below 80 mm is not recommended, as small details may lose definition.

Features

- Part of the Cozy Fantasy Collection
- Multi-colour design
- Whimsical forest gnome character
- Compact seated pose
- Rounded, soft sculpted shapes
- Strong and stable base
- Scalable design (recommended minimum height: 80 mm)
