Meet Lucky Bella – the sweetest St. Patrick's edition in the Cozy Teddy Bear Collection

With her oversized green bow and lucky four-leaf clover held gently in her paw, Bella brings a soft and charming touch to the collection. Her rounded teddy proportions and delicate expression keep the signature cozy look, while the festive details make her perfect for seasonal décor.

The fuzzy skin effect enhances the plush-like texture while maintaining a clean and print-friendly silhouette.

Designed for multi-colour printing, this model allows clean separation for the bow, clover, eyes, nose, and paw pads while keeping the overall geometry smooth and cohesive.

Bella stands approximately 100 mm tall. Upscaling works beautifully if you'd like a larger decorative piece. Downsizing below 100 mm is not recommended for the details.

Fuzzy Skin Settings

If you are not using the provided ready-to-print 3MF file, make sure to enable Fuzzy Skin in your slicer:

Fuzzy Skin Thickness: 0.2 mm

Fuzzy Skin Point Distance: 0.8 mm

These settings create the soft teddy-like texture and are essential for achieving the intended cozy finish.
