Bring a little warmth and charm into your home with the Little Light Lifters Collection!

These adorable little characters are ready to brighten your day, holding a candle above their heads with their tiny paws or hands!

Each figurine combines a cute decorative design with a practical candle holder, making it a lovely addition to your home, seasonal decorations, or a thoughtful handmade gift.

LED Candle & Tealight Holder

At its original size, each design accommodates LED tealights or candles up to 45 mm (1.77 inches) in diameter.

The models can easily be scaled up to accommodate larger LED candles, making them suitable for a variety of candle sizes. Simply adjust the scale to fit your preferred LED candle.

⚠ Important: Use LED candles only. Never use real candles or open flames, as the heat could damage or melt the printed material.
