This cute hedgehog ice cream pint holder was designed to turn your ice cream moment into something extra cozy and fun.

With its rounded shape, calm expression, and softly sculpted spikes, this little hedgehog gently holds your ice cream pint while adding a warm, playful touch to your space. A functional design that also works beautifully as a decorative piece when not in use.

The design is suitable for both everyday use and display, making it a charming addition to your desk, shelf, or cozy corner.

This model has no spoon holders, the absence of spoon holders makes the model cleaner and easier to resize.

The diameter of the hole is around 3,66" or 93mm. Suitable for several ice cream pint brands (e.g. Ben & Jerry's)

If you want the handle on the other side, you can mirror the object over the x-axis.
