Summary

This is a sci-fi Trooper. Use it as you must.

Tabletop Miniatures > Characters & Monsters

This is a Heavy Trooper. I would recommend using this one a little less than the Light Trooper, because these troopers are less common in the ranks of a sci-fi army. But you can still use it as you must, for any rpg game. (If it is too big then I would recommend sizing it down slightly. Again I apologize if you have any problems with it, let me know and I will try to fix it.)
