Summary

Add-on for Amazon Product "Bamboo Charging Station for Multiple Devices with 5 Port USB Charger"

[Gadgets](#) > [Portable Devices](#)

Tags: [charging](#) [apple](#) [watch](#) [applewatch](#)

3D printed Apple Watch charger holder that clips onto the Pezin & Hulin Bamboo Charging Station. Replaces the loose wooden watch holder that slides around. Allows multiple Apple Watches to be charged at once.

Built-in friction points keep the holder securely attached to the wood and the Apple Watch charging puck in place. No screws or glue required.

Designed for the Pezin & Hulin 5-Port Bamboo Charging Station but may work on other similar products.
