Rubbermaid FastTrack Slat Wall Speed Square Holder. Multiple Sizes

Racks have 2 press in locks to keep the holder from lifting off the wall.
Non-locking end caps also included if you don't want the rack to lock onto
the slat wall.

**Sizes:**

50mm x 20mm (Holds 1 Speed Square)

50mm x 40mm (Holds 2 Speed Squares)

50mm x 70mm (Holds 3 Speed Squares)

Notes:

These organizers were designed to work with Rubbermaid Slat walls. I've read that the Rubbermaid system does NOT use standard slat wall attachments. These may or may not work with other slat wall systems.
