Summary

Cupholder with phone slots.

[Hobby & Makers](#) > [Automotive](#)

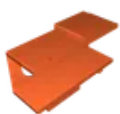

Tags: [cup](#) [diy](#) [car](#) [drink](#) [truck](#) [coffee](#) [racecar](#)
[cupholder](#) [build](#)

Discovered the lack of aftermarket cupholders on here for project cars or old trucks that don't have any.

standard cup sizes, fits most phones, simple opposing corner mounting holes

would recommend printing vertically

Model files
