A diamond-shaped fishing spoon with a twist, inspired by the classic buzz bomb shape. It has a pocket for an eye and an optional scale-like diamond pattern texture.

- 89 mm (3.5") long, 17 mm wide, 60° twist
- 9 mm eye recess

Customize it in your browser

This model is fully parametric. Change length, twist_angle and the cup, or set enable_scales = true for the scale texture. Open it in the free OpenSCAD Playground, change the numbers and export your own STL:
