Design Concept

Give your windows a spooky Halloween makeover with this creepy Pumpkin Ghost! Featuring a wicked jack-o'-lantern grin, a tattered ghostly cloak, and long, clawed hands, this silhouette creates a haunting atmosphere, especially when placed in a lit window after dark.

Use

Perfect as a Halloween window decoration for your home, garage, or Halloween party. The silhouette looks especially impressive against a warmly lit room, making your windows a little more frightening for trick-or-treaters!

Printing Suggestions

Print in black PLA for a classic spooky silhouette.

Use a contrasting background or interior lighting to make the design stand out.

A single-color print works perfectly for this design.

Assembly Instructions

No assembly required. Simply print, and attach the decoration to a clean window using a suitable removable adhesive or transparent mounting tape.
