Meet the Angriest Pumpkin Around This fiercely expressive carved pumpkin features an angry expression with sharp, carved eyes and a wide-open mouth. Perfect for adding personality to your Halloween decoration – and functionality too.

Two Expression Options

- Classic Carved Version
- Sculpted Eyebrow Version – Enhanced sculpted eyebrows for an extra grumpy expression

Dual-Purpose Design The large mouth cavity is perfectly sized for multiple uses:

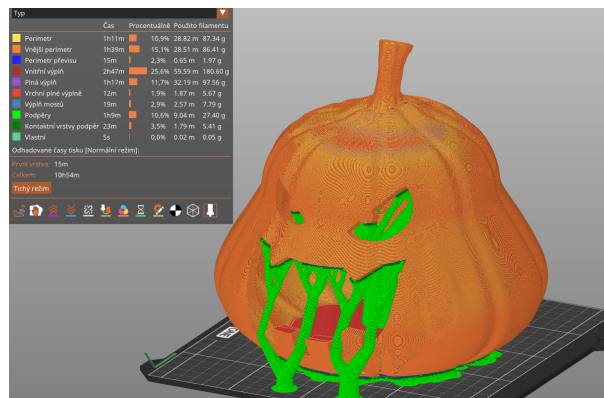

- Candy Bowl – Kids can easily grab treats from the open mouth
- LED Candle Holder – Place an LED light inside for an eerie glowing effect

Print-In-Place with Color Swap This simple print-in-place model requires no assembly. The stem can be printed in a different filament color for added visual appeal – simply pause your print and swap filaments to create a contrasting stem.

Scalable Design Print at any size to fit your space – from small desktop decorations to large statement pieces.
