A fierce Japanese-inspired Oni demon mask featuring curved horns, intricate ornamental textures, and an aggressive expression. Its glossy red finish and sharp details make it perfect for cosplay, Halloween, costume parties, display, or as a unique decorative piece.

⚠ **Important:** Before printing, adjust the model's dimensions to fit your face properly. Measure your face and check the mask's width, height, and depth to ensure a comfortable fit and adequate visibility. You may need to scale the model differently depending on your facial proportions and printer settings.

Features:

- Detailed Oni-inspired design
- Large curved horns and sculpted facial features
- Ideal for cosplay, costumes, and decoration
- Customizable scale to fit different face sizes

Printing tip: Choose your material, layer height, and infill according to your desired finish and durability. Test the fit before committing to the final print.
