Meet this adorable Knitted Christmas Elephant – Snowman Hugger!

This sweet little elephant features a cozy knitted texture, big floppy ears, a cute curled trunk and an adorable expression. Wearing a festive red Santa hat and holding a tiny snowman with a red winter hat and scarf, it's ready to bring a little extra warmth and Christmas magic into your home!

With its charming handmade appearance, this little elephant makes a lovely addition to your Christmas decorations, festive displays or a thoughtful holiday gift.

Size & Scaling

At its original scale, the elephant measures approximately 100 mm (3.94") in height.

The model can be scaled up, but scaling below 100 mm (3.94") is not recommended, as the fine knitted texture and small details may become less visible or difficult to print.

Printing

Designed with FDM 3D printing in mind, featuring a detailed knitted appearance.

A modifier with 100% infill has been added to part of the feet to provide extra weight at the bottom, helping the elephant stand more securely and remain stable.

For the best results, keep this modifier enabled when printing.
