A spooky little voyage!

Pumpkin Benchy brings Halloween aboard with a jack-o’-lantern face at the bow, a pumpkin-shaped cabin roof and a twisted chimney.

The familiar little boat is decorated with raised Halloween details, while the open windows and arched doorways keep its recognizable silhouette.

FEATURES

- Recessed jack-o’-lantern face across the bow
- Pumpkin roof with a curved stem
- Twisted decorative chimney
- Raised ornaments on the hull and cabin

• Open cabin windows and arched doorways
• Looks great printed in a single color

COLORS

The photographed model is printed in orange, but you can choose your own spooky color scheme or paint the details after printing.

PRINTING NOTES

Use the supplied print profile as your starting point. Check the sliced preview before printing, especially around the roof, chimney and facial details.

Remove any supports carefully and handle the small roof details gently.

A fun seasonal addition to your desk, shelf or Benchy collection!

Share your make — I'd love to see your Halloween fleet.
