Simple tab for bottom of cordless blinds. Something easy to grab while reaching over to raise or lower blind. Attach to bottom of blind with 3M or other mounting tape, no drilling.

Print Settings

Printer Brand:

Prusa

Printer:

i3 MK2 MMU

Rafts:

No

Supports:

No

Resolution:

0.20 Linear Advance

Infill:

30%

Notes:

Suggest printing with the surface that attaches to the blind facing down against the build plate, with a skirt of 15mm. This allowed me to print without supports on my i3 with heated bed, for a cleaner print.
