Spook up your kitchen this October with this unique, rotating Halloween Dishwasher Clean/Dirty sign!

Featuring a classic spiderweb design molded into an eye-catching orange pentagon, this seasonal print is both functional and festive. Instead of using complex sliders or hinges, you simply turn the pentagon to display the correct status, keeping it incredibly simple to use and print. The text is highly legible, making it easy for the whole family to see whether the dishes are ready or need a wash.

Why Print It

- **Unique Rotation:** Simply turn the pentagon to change the status, eliminating the need for multi-part mechanical sliders.
- **Holiday Spirit:** The perfect subtle accent to bring Halloween decor into your kitchen.
- **Functional Decor:** Saves you from constantly opening the dishwasher to check the dishes.

Print Settings

- **Material:** PLA works perfectly.
- **Infill:** 15% to 20% grid or gyroid infill.
- **Supports:** Enable bed plate only supports
