Toys & Games > Other Toys & Games

This is the Michael Meyers benchy that I created using Meshy.ai.

This is my first time creating a print and sharing it. Please let me know what settings I should change to make it look better.

This benchy is a little bigger then normal. Below are the X, Y, and Z sizes.

X = 97.38

Y = 72.33

Z =87.75
