Summary

Not wanting to be carved up or eaten, it grew legs and walked away. I'm sure it will stay wherever you put it though...

Not wanting to be carved up or eaten, it grew legs and walked away. I'm sure it will stay wherever you put it though...

Its a pumpkin shaped object with legs. Printed in PETG with no supports, brim etc. .4 nozzle .2mm.

This is my first attempt at anything like this so I tried not to over do it. I have added photos of the printed bottom. Thanks for checking it out!
