Summary

A customizable and modular center console storage solution designed for the Lexus LC500

Hobby & Makers > Automotive

Tags: organizer modular car centerconsole lexus lc500

A modular peg board style organizer for the center console of the Lexus LC500. Use the pegs to create your own customized storage solution to hold bottles, sunglasses, hand sanitizer, pens, and more! Includes a few holders to snap in cans, lip balm, etc.

Please note that this is version 1 and the fit and tolerance of the files is still being dialed in. Recommend to mess with infill and other settings, etc. etc.
