Tags: [halloween](#) [organizer](#) [lid](#) [storagebox](#) [mummy](#)
[candyjar](#) [boxesmodel](#)

A sculpted mummy storage box with wrapped bandages, hands and feet, topped by a removable face-shaped head lid. Four compartments separate wrapped sweets or small accessories.

Dimensions and storage layout can also be adjusted on the model page:

<https://boxesmodel.com/models/halloween-mummy-candy-box>

Overall height with preserved proportions, compartment layout, floor elevation, divider height, inward wall thickening and lid clearance can be adjusted.

The files here are the complete fixed default-size version. Custom exports follow the pricing shown on the model page.

DEFAULT SIZE AND ASSEMBLY

131.64 x 101.16 x 193 mm overall. Oval opening: approximately 112.2 x 80.1 mm. Divider height: 95.2 mm; nominal lid clearance: 0.30 mm per side.

Print one body and one lid. Clean the locating rim and lower the head vertically onto the body. No purchased hardware is required. Inspect hands, feet, bandages and lid underside for support needs. The lid does not latch or seal.

Dimensions are in millimetres. Each STEP is an alternative CAD format for the matching STL, not an extra piece to print.

PRINT STATUS AND COLORS

Geometry, dimensions and part completeness were checked in CAD. This model has not been sliced or physically test-printed. Review orientation, supports and tolerances in your slicer. No tested print profile, print time or G-code is supplied.

The cover is a render of the actual model, not a photograph. STL and STEP contain uncolored geometry; illustrated colors require painting or slicer coloring. No AMS/MMU-ready multicolor 3MF is included. Food-contact performance has not been validated; use wrapped sweets if storing treats.
