Design Concept

This airsoft pistol stand combines a clean, minimalist design with practical storage. The profiled upper grooves help keep your pistols neatly positioned for display, while the integrated pull-out drawer provides convenient extra storage for magazines or BBs. A compact, all-in-one solution for keeping your airsoft gear organized.

Use

Perfect for airsoft enthusiasts who want to keep their pistols and essential accessories in one place. Display your pistols on the stand and use the drawer to store spare magazines, BBs, or other small airsoft accessories. Ideal for a hobby room, gaming setup, or display shelf.

Printing Suggestions

Material: PLA or PETG

Infill: 25–30%

Perimeters: 3

Use a durable filament and suitable print settings to ensure sufficient strength and stability.

Assembly Instructions

After printing, carefully clean the holes by hand using a 5 mm drill bit. Work gently to avoid breaking the connecting pins. Assemble all parts and secure the joints with superglue for a firm connection.
