Included designs:

- Christmas tree
- Star
- Bell with a bow
- Angel
- Patterned bauble
- Wrapped gift

Each ornament is approximately 80 mm tall, including the hanging loop, and 3 mm thick. All six designs are supplied as separate STL files, so you can print your favourites or the complete set.

Suggested print settings:

- Material: PLA
- Nozzle: 0.4 mm
- Layer height: 0.2 mm
- Walls: 3
- Print flat on the build plate
- No supports required
- Single-colour printing — no AMS needed

Thread a thin ribbon or string through the top loop to hang your ornaments. Keep the original scale to preserve the finer details.
