A modern LED tealight holder with a raised diamond pattern and a softly rounded shape. Its geometric facets catch the light and create subtle shadows, adding texture to shelves, coffee tables and bedside tables.

Print it in warm white, light gray, beige or sage green for a cozy decorative accent, or combine several colors into a matching set.

- Dimensions: approximately 85.6 × 84.7 × 28 mm
- Candle opening: Ø 42 mm, 25 mm deep
- Flat base and single-piece design
- No assembly required

Suggested print settings:
PLA, 0.16–0.20 mm layer height, 3 walls and 12–15% infill. Print flat-side down and check the sliced preview before printing.

For LED tealights only. Do not use real candles or open flames.
Measure your LED tealight before printing.
