An elegant oval LED tealight holder with closely spaced ribs and a softly rounded profile. Its elongated shape adds variety to a shelf arrangement while keeping a simple, understated style.

Display it on its own or combine several colors for a coordinated decorative set.

• Dimensions: approximately 99.6 × 79.6 × 28 mm
• Candle opening: Ø 42 mm, 25 mm deep
• Flat base and single-piece design
• Designed for LED tealights only — do not use real candles or open flames

Suggested starting settings: PLA, 0.16–0.20 mm layer height, 3 walls and 12–15% infill. Print flat-side down and check overhangs in your slicer.

Measure your LED tealight before printing. Product images are illustrative renders; candle fit depends on its dimensions.
