Keep your coffee bar or kitchen counter tidy with the Horizontal Ribbed Tea Bag Dispenser!

This redesigned organizer features bold horizontal ribbed exterior contours , making it a functional accent piece for any kitchen layout. Its dual-slot setup lets you conveniently keep your favorite tea varieties separated while maintaining a compact footprint.

Key Features

- **Dual-Bay Storage:** Keep two tea varieties neatly organized side-by-side in one compact container.

- **Top-Loading & Easy Access:** Slide fresh sachets in from the top and pull individual bags out smoothly through the open front slots.
- **100% Support-Free Printing:** Engineered to print cleanly directly on the build plate without any supports or post-processing required.
- **Universal Compatibility:** Fits standard foil and paper wrapped tea bags (Twinings, Bigelow, Stash, Tazo, Lipton, etc.).

Recommended Print Settings

- **Supports:** None
- **Orientation:** Print upright on its bottom base
- **Layer Height:** 0.20 mm (0.16 mm works great for extra fine layer lines)
- **Perimeters:** 2 to 3
- **Infill:** 10% – 15% (Gyroid or Grid)
- **Brim:** Optional (Only recommended if your print bed has adhesion issues)
