A versatile compact storage container with a distinctive ribbed design and two interchangeable screw-on lid options!

This practical container is designed for storing and carrying small everyday essentials. Its cylindrical shape, deep vertical grooves and threaded closure combine functionality with a clean, distinctive appearance.

TWO LID OPTIONS INCLUDED

The model features two different lid designs:

• **Flat Screw-On Lid** – A compact, minimalist lid with a smooth top surface. Perfect for everyday storage.

• **Lanyard Loop Lid** – A taller lid with an integrated attachment loop and an opening for a cord, paracord, strap or small carabiner. Great for attaching the container to a backpack, bag or other gear.

Both lids use the same threaded connection and fit the same container body. Choose the style that best suits your needs!

DIMENSIONS

External dimensions:
• Diameter: 45 mm
• Height: 120 mm (with flat lid)

Internal usable dimensions:
• Diameter: 35 mm
• Height: 112 mm

POSSIBLE USES

This container is suitable for storing:
• Small tools and hardware
• Screws, nuts and electronic components
• Fishing accessories and tackle
• Craft supplies
