Spiral Christmas Tree Fidget – A Festive Decoration You Can Play With!

Bring some Christmas magic to your desk with this spiral Christmas tree fidget!

This unique 3D-printed design combines a festive Christmas ornament with a satisfying spiral fidget. Its elegant twisting shape and two-color appearance make it a beautiful seasonal decoration, while its two-part construction gives it an extra playful touch.

Features

2-part design – made of two separate pieces

Spiral fidget – enjoy the unique spiral design and interactive feel

Christmas decoration – looks great on a desk, shelf or holiday display

Multicolor possibilities – create your own combinations using metallic, festive or classic colors

Gift idea – a fun little Christmas gift for friends, family or fellow 3D printing enthusiasts

Make it your own!
Try red & gold, green & gold, blue & silver, or experiment with your favorite filament colors.

Merry Christmas and happy printing!
