Prusa Enclosure Tool Holder

This tool holder is designed to accommodate the tools included with Prusa printers: one screwdriver, six Allen keys, two flat wrenches, and one pair of pliers.

The holder is designed to work on both sides of the enclosure. This allows you to move it from one side to the other depending on your needs, without having to print a second holder.
Print: PLA or PETG
Support: Yes
Infill: 15%

Installation requires:

- (2) M3x6mm Allen screws
- 1 × circular magnet with a center hole (3mmx15mm)
- 1 × screw to secure the magnet
