Baby Sea Turtle – Cute Ocean Desk Buddy

Meet your new little ocean friend!

This adorable baby sea turtle is designed to bring a little ocean charm to your desk, shelf, or 3D-printed animal collection.

With its oversized eyes, detailed shell, textured flippers, and cute expression, this little turtle makes a fun decorative print for ocean lovers and animal fans.

Features

- Cute baby sea turtle design
- Detailed shell with raised sections
- Textured flippers
- Big expressive eyes
- One-piece design
- Designed for single-color printing

- No assembly required

Printing Information

- Printer: Bambu Lab A1 or compatible FDM printer
- Material: PLA recommended
- Color: Any single filament color
- Assembly: None
- Supports: Check your slicer preview before printing

Make It Your Own

Try ocean blue, seafoam green, sandy beige, lavender, or any color you like!

Enjoy!

If you print this little sea turtle, share your make. I'd love to see all the different colors people choose!

Happy printing!
It is very recommended to paint this model! (That is what I did for my pictures!)
