## Summary

flexible multicolor lizard

World & Scans > Animals

Tags: multicolor chibi animal cute articulated flexible flexi

A small articulated lizard with a chunky body, big expressive eyes and playful spikes running from its head down to its tail. The flexible body gives it plenty of movement while keeping the design simple, cute and easy to print.

The model is designed as a **print-in-place flexi**, making it a fun desk toy, fidget, decoration or little gift for reptile and gecko fans.
