The history of space exploration directly into your home with our exclusive **3D printed Yuri Gagarin decorative figurine**. This detailed full-body sculpture features the legendary Soviet cosmonaut sitting down, wearing his iconic space suit and holding his helmet in a relaxed yet striking pose. Specifically designed to **sit on the edge of shelves, ledges, desks, or bookcases**, this piece combines modern 3D printing technology with a fascination for space history. It is the ideal geek and science decor

accessory to transform any ordinary corner into a space filled with personality.
